International FoodTec Award 2018

Dear Dr. Salati Chiodini,

Your company submitted an application to be considered for the 2018 International FoodTec Award organised by the DLG in cooperation with other influential media partners* and organisations. The award generated a great deal of interest and attracted a large number of applications - especially from companies outside Germany – which underlines the prestige enjoyed by this award among the food industry and its suppliers.

We would like to thank you for putting forward your company and its impressive innovation. After extensive deliberation, the international jury has nominated your application for a **silver medal**.

On behalf of the DLG we would like to congratulate you on this award. The award ceremony and a presentation of the innovations will take place at the 2018 Anuga FoodTec fair in Cologne on

Tuesday, 20 March 2018, at 6 pm at the Kölnmesse Exhibition Centre.

You will receive your official invitation to the award ceremony shortly.

If you would like to use the award in your communications and advertising ahead of the flagship trade fair, we would be happy to provide you with artwork for the medals. Please contact Agnes Gajdzinski, DLG Marketing, with details of your preferred image resolution and format (email: a.gajdzinski@DLG.org; tel.: 0049 69 2478 8216).

We are also offering a press service after the awards presentation at the Anuga FoodTec to assist you in informing the trade and business press about your award-winning innovation (contact: Guido Oppenhäuser; email: g.oppenhaeuser@DLG.org; tel.: 0049 69 2478 8213).
